

COMMUNITY SUPPORT TEAM

VISION

A Thriving, Sustainable Community

MISSION

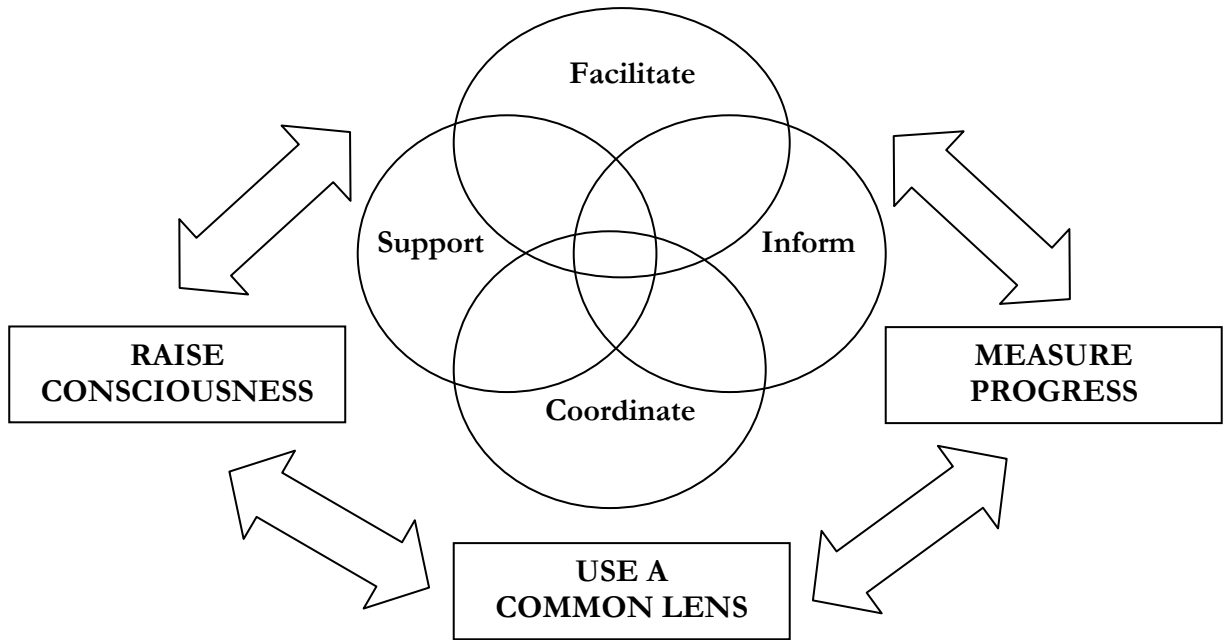

To ensure citizens and systems act on a shared vision within a Determinants of Community Well-Being Framework

THEORY OF CHANGE

◇ Strengthen Community Action ◇

◇ Address Root Causes ◇

PATHWAYS MATRIX

ACTION STRATEGIES

Cultivate Community and Sector Readiness, Energy, and Commitment for Collective Action on the Determinants of Community Well-being
 (For example: shared strategic focus; awareness and understanding of determinants; capacity and public and political will to act; social trust & reciprocity; connectedness)

Construct an Operational Infrastructure for Collective Action on the Determinants of Community Well-being
 (For example: convene, network, communicate, provide tools/training, evaluate, celebrate/recognize, coordinate, facilitate, mobilize resources including funding, create efficiencies, develop policy framework)

Create Supportive Environments for Collective Action on the Determinants of Community Well-being
 (For example: develop evaluation system with meaningful reports; ensure meaningful participation; eliminate barriers; develop healthy public policy)
